Alpha & Omega Semiconductor Announces Senior Management Appointment

Sunnyvale, CA, January 31, 2008 – Alpha & Omega Semiconductor, Inc. (AOS) today announced the appointment of Dr. Hamza Yilmaz as Executive Vice President of Business Development, reporting to Dr. Mike Chang, President and Chief Executive Officer of AOS.

"I am very pleased to have Dr. Yilmaz join our executive management team," said Dr. Chang, "Dr. Yilmaz is one of those very few pioneers in the Power Semiconductor field with over 25 years of successful career track record. I look forward to Dr. Yilmaz's contribution to our strategic business development to drive AOS' continued aggressive growth."

Prior to joining AOS, Dr. Yilmaz held senior executive positions at major power semiconductor companies. He holds a B.S.E.E. from Yildiz Technical University, a M.S.E.E from the University of Texas at Austin and a Ph.D. from the University of Michigan.

About AOS

Alpha & Omega Semiconductor, Inc. is a fabless semiconductor company that develops leading-edge analog power management solutions. AOS offers a wide portfolio of Power MOSFET, Power IC and Transient Voltage Suppressor products that incorporate advances in device design, silicon and packaging technologies. AOS's products meet the ever-increasing performance and power efficiency requirements in high volume consumer applications such as portable and desktop computers, digital cameras, cell phones and LCD panels. AOS has offices and sales representatives worldwide including the Americas, Europe and Asia Pacific. For more information, please visit www.aosmd.com.
